

Philip Ross Biography

Philip is a consultant, commentator and writer on emerging technology and its impact on work, the workplace and people's lives.

He has worked with organisations such as Ernst & Young, Allen & Overy, McKinsey & Co, Cushman & Wakefield and Royal Bank of Scotland on future concepts and opportunities for innovation.

Philip has spoken at conferences around the world including the Wall Street Journal Europe CEO Forum on Converging Technologies, alt.office in the USA and Corenet's Global Summits in Beijing and Melbourne.

In 1994 he wrote and published The Cordless Office Report and in 1996 launched Unwired. He has written three books on the future of work and workplace: The Creative Office, The 21st Century Office and Space to Work, that will be published in October 2006 (all co-authored with Jeremy Myerson) and has contributed to a number of books including the Responsible Workplace and the Corporate Fool.

Philip founded Cordless Consultants in 1994, and is now CEO of Cordless Group.
